60MM HOTJUICE

TRANS BLACK • GREEN • ORANGE • TRANS ORANGE • BLACK

The 60mm OJ Hot Juice are a perfect cruiser wheel for any board; long or short. Excellent for fast transportation with minimal pushing. The soft, 78a formula makes the roughest roads seem smooth and they are great for downhill riding. They are soft and grippy so these wheels aren't meant for power slides. A customer favorite!

Hot Juice

55MM MINI HOTJUICE

GREEN • ORANGE • TRANS ORANGE • BLACK • RED

OJ Mini Hot Juice are perfect, smaller sized, cruiser wheels. A nice, soft 78a formula in a compact 55mm shape. Mini Hot Juice are perfect for putting on a regular street deck so you can cruise fast and smooth on rough ground and still be able to pull off tricks.

Mini Hot Juice

75MM THUNDER JUICE

ORANGE

OJ Thunderjuice are an XL version of our popular Hot Juice series. Big, soft, and fast, the 78a formula makes the roughest roads seem perfectly smooth. Excellent for fast transportation with minimal pushing. They are soft and grippy so these wheels aren't meant for power slides. Great for longboards and cruisers!
